Course Description

Writing clinic offering 6 x 40 minute 1-1 slots for researchers to discuss writing challenges or to work on a particular piece of text-in-progress.

All sessions run by Anne Wilson and Katie Grant are highly interactive. Numbers are limited, with every participant expected to do all required preparation, log-on on time, and contribute actively to the whole session. Writing Retreats require commitment to all the retreat days (2 days for Y1 and Y2; 3 days for Y3), and Writing Group requires commitment for six consecutive weeks. If you sign up and then have to cancel, you must let LISS know immediately. If you don't, you'll be depriving another researcher of the training opportunity.
